New York History (ISSN 0146-437x) is a peer reviewed journal published four times a year by the New York State Historical Association in partnership with State University of New York, College at Oneonta. Submitted articles should deal in an original fashion with the history of the state. Articles that deal with the history of other areas, or with general American history must have a bearing on New York State history. It is assumed that the article will have some new, previously unexploited material to offer or will present new insights or new interpretations. Suggested length is 4500 words.

We ask that authors submit articles electronically. Submissions as well as footnotes should be double-spaced. Provision and costs of images for articles are the responsibility of the author. *New York History* employs, with some modification, note forms suggested in the *Chicago Manual of Style*. Submissions can be sent directly to NYSHA's Publications Department publications@nysha.org

The journal will process submissions as quickly as possible, but three to six months should be allowed for a thorough reading. *New York History* does not pay for author's articles.
